BOAT SALES

LAKELAND LEISURE ESTATES

Description

Cilantro is a beautifully maintained 60ft traditional narrowboat, offering a warm and inviting space for both liveaboard and cruising adventures. With a well-thought-out layout and a blend of practicality and comfort, this boat provides the perfect balance of function and charm. Whether you're looking for a cosy home on the water or a weekend retreat, Cilantro is an excellent choice, offering a simple yet versatile canvas to make your own.

Stepping into the galley, you'll find a well-equipped kitchen space, featuring a Bompani gas oven with a four-burner hob, a stainless steel sink with a drainer, and a Shoreline fridge with an ice box. The storage cupboards, drawers, and built-in spice racks ensure you have plenty of room for essentials, while the lino flooring offers both durability and ease of cleaning—perfect for life on the move.

Moving into the saloon, the warmth of the Hamlet solid fuel stove creates an inviting atmosphere, making it the perfect spot to relax. A two-seater settee and stool provide comfortable seating, while the wine cabinet and shelving units add to the charm and practicality of the space. The soft carpet flooring enhances the cosy feel, making it an ideal area to unwind after a day of cruising.

The dinette is both functional and stylish, offering a four-seater dining area with newly covered cushions. It conveniently converts into a double bed, with additional storage space beneath the seats. A side hatch brings in natural light and fresh air, creating a bright and airy feel—perfect for enjoying a morning coffee or watching the waterways go by.

Beyond the dinette, the boatman's cabin is fitted with essential utilities, including storage cupboards, a Sterling power inverter, and an MPPT solar charger, ensuring off-grid capability. Additional features such as mooring equipment, an immersion heater, and a calorifier provide practicality and convenience for extended stays aboard.

The master bedroom is a peaceful retreat, featuring a fitted double bed with ample under-bed storage, a wardrobe, shelving, and a cupboard for additional organization. Overhead storage with built-in reading lights adds to the functionality, making it a comfortable and well-planned space for restful nights on the water.

The bathroom is designed with both practicality and comfort in mind. A shower cubicle, macerating toilet, and sink provide all the necessary amenities, while a storage cupboard and mirrored wall unit offer convenient space for toiletries and essentials.

With a layout that flows seamlessly from stern to bow—engine room, bedroom, bathroom, dinette, galley, and saloon—Cilantro offers a spacious yet intimate living experience. This boat is an ideal choice for anyone looking to embark on life on the waterways, providing a solid foundation with plenty of opportunities to add your personal touch. Whether you're an experienced boater or just starting your journey, Cilantro is ready to become your perfect floating home.
