BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard Fiodra, a striking 60ft Cruiser Stern Widebeam with a story as unique as her design. Built in 2017 by Viking Canal Boats, this versatile vessel has been so much more than a home — she has served as a floating cinema, art gallery, yoga studio, children's play space, and community hub. With a spacious layout and flexible design, Fiodra offers a rare chance to live creatively, host memorably, or build something truly special on the water.

Whether you're seeking a soulful liveaboard, a mobile business venture, or a unique venue for workshops and events, Fiodra is ready for her next chapter.

At the heart of the boat lies a beautifully bright and open-plan lounge — once used for art exhibitions, film nights, toddler playdates, meditation sessions, and yoga classes. Designed as a dynamic, reconfigurable space, it features two generous built-in storage containers to keep everything tidy while allowing you to transform the layout to suit your needs. Whether you're hosting a creative workshop, co-working session, or a cosy evening gathering, this area radiates warmth, flexibility, and purpose.

Fiodra's galley kitchen and dinette is designed for both everyday living and commercial potential. A 12v Thetford oven and hob, shoreline under-counter fridge, and double sink make this space ideal for preparing meals at home — or even for trading along the waterways, thanks to its food-inspected setup and serving hatch. A swan hatch with a clever fold-up board allows you to easily serve food or drinks to passers-by on the towpath, making it ideal for pop-up cafés or water-based events.

The inviting dining table seats up to 10 people, perfect for long breakfasts, collaborative dinners, or communal moments on board.

The cosy stern bedroom is tailored for both comfort and versatility. A raised king-sized bed provides ample space underneath — ideal for a second bed, children's play nook, or generous storage. With three built-in wall cupboards and a calm, neutral palette, this room offers a peaceful, well-organised sanctuary after days filled with connection and creativity.

The full-size bathroom is modern and easy to maintain, with a generous shower, pump-out toilet, large basin, and plenty of hanging space for towels and essentials — a true luxury in floating living. Its clean, practical layout ensures comfort on both long journeys and quiet days at moorings.

Fiodra isn't just a home — she's a ready-made venue and income opportunity:

- Business-level Boat Safety Certificate
- Food-inspected kitchen with double sinks
- Serving hatch for waterside trading
- Two folding tables and 20 event chairs included
- Refleks diesel stove for reliable, cosy heating
- Expansive rear deck fits a 3x3 gazebo, perfect for outdoor workshops or al fresco dining
- Open-plan layout ideal for hosting pop-ups, community events, creative sessions, or retreats

Whether you're a creative entrepreneur, a family seeking an unconventional home, or someone who loves to host and bring people together, Fiodra is packed with personality and potential. She's more than a boat — she's a floating lifestyle, a blank canvas for bold ideas, and a rare chance to do something truly different.
