Description

Welcome to the Floating Lodge M350 at Barton Marina. This stunning houseboat redefines luxury living on the water, featuring balconies at both the front and rear—perfect for soaking in serene views and fresh air. It's ideal for those wanting to live waterside without the commitment of a traditional boat.

Designed with a boat-like aesthetic, the Marina Series is expertly crafted to fit seamlessly within existing marina berths. The M350 is equipped with an outboard motor bracket, composite decking, and stable catamaran pontoons made of Glass Reinforced Plastic (GRP), ensuring a smooth and secure experience on the water. Its lightweight and durable aluminium cladding, available in various colours and combinations, along with stainless steel handrails, enhances its modern charm while providing protection against the elements.

Step inside through the floor-to-ceiling sliding patio doors and enter a stunning open-plan living, kitchen, and dining area flooded with natural light. The stylish kitchen features fitted cupboards, sleek worktops in a range of finishes, and essential appliances, including a combi oven, hob, and fridge. A generously sized walk-in cupboard offers ample storage, keeping your space organized and clutter-free.

Experience life on the water without compromising on comfort or space. The luxurious bathroom is designed for relaxation, equipped with a toilet, wash hand basin, walk-in shower, and a towel radiator. Retreat to the double bedroom, complete with its own balcony, providing a personal space to relax and unwind. Both the front and rear balconies offer plenty of room for outdoor furniture, making them ideal for entertaining guests or enjoying peaceful moments by the water.

These high-spec, low environmental impact lodges are easy to look after and come ready for use. Discover the perfect balance of luxury, space, and practicality with our floating apartment range, meticulously crafted to optimize living space. With breathtaking waterside views and a modern design that enhances the serene surroundings, the Floating Lodge M350 is your gateway to an extraordinary waterside lifestyle.

Whether you seek relaxation or adventure, this remarkable houseboat promises to be your perfect escape—ideally suited for those looking to embrace life on the water without the intricacies of traditional boat living. With new floating lodges coming to additional locations soon, you can choose the Lakeland Leisure marina that best suits your needs.

This floating lodge also represents a perfect investment opportunity—an ideal buy-to-let option as a unique holiday rental or luxurious second home in a sought-after marina setting.
