LAKELAND LEISURE ESTATES

Description

Jasper Owl is a beautifully maintained 34ft cruiser stern narrowboat, built by Piper Boats with a professional fit-out by Wedswood Narrowboats. Designed for comfortable leisure cruising, this compact yet versatile craft offers a thoughtful layout, quality fittings, and everything needed for an enjoyable life on the water.

The galley is equipped with fitted cupboards and drawers that provide ample storage for all your kitchen essentials. A sink and drainer make everyday tasks easy, while the gas hob, grill, and oven allow for practical onboard cooking. A fitted fridge completes the space, ensuring convenience during both short breaks and extended stays.

The lounge offers a bright and open-plan living space that combines comfort with functionality. Two wardrobes are located on either side of the front doors, providing excellent storage solutions. A cosy two-seater dinette is perfect for meals or working while aboard. The sofa easily converts into either two singles or a generous double berth, , giving the option of two singles or one double. This adaptability makes Jasper Owl well-suited for either a couple or two guests, ensuring restful nights onboard. A solid fuel stove provides warmth and charm, making this a welcoming retreat all year round.

The bathroom is located at the stern and has been designed as a compact but practical wet room. It features two Thetford cassettes for convenience, along with a fitted sink and a wet room-style shower. This space is both functional and easy to maintain, ensuring everything you need is close at hand.

Powered by a Vetus three-cylinder engine with a ZF10W gearbox, Jasper Owl provides reliable and smooth cruising. The boat benefits from a Vetus bow thruster for easy manoeuvring, as well as a solid fuel stove for cosy cabin heating.
