BOAT SALES

LAKELAND LEISURE ESTATES

Description

Sally is a charming 27ft GRP cruiser built by Nauticus in 1975, offering a compact yet cleverly designed layout that makes excellent use of space. Ideal for weekend cruising or relaxed holidays on the water, Sally is a great option for first-time boaters or those looking for an easy-to-handle cruiser with character.

From the stern, Sally features an open cockpit, providing a sociable outdoor space for enjoying the surroundings, whether moored or cruising. Moving forward, you enter the bathroom, which is fitted with a cassette toilet and offers a practical, private facility onboard.

Continuing into the cabin, the galley is neatly arranged and well equipped for a boat of this size, featuring a small oven, two-ring gas hob, sink with drainer, and cupboard space for storing essentials. Opposite or adjacent is the dinette/lounge area, with seating and a table that creates a comfortable space for dining, relaxing, or socialising indoors.

At the bow, Sally offers a cosy master bedroom with a V-shaped bed base, providing sleeping accommodation for up to three berths in total. The forward cabin benefits from good natural light and a welcoming, snug feel – perfect for overnight stays.

Built and fitted out by Nauticus, Sally's GRP construction makes her low-maintenance and practical, while her compact length makes her easy to manoeuvre and economical to run. With a sensible internal layout and all the essentials onboard, Sally is a lovely little cruiser ready to enjoy straight away.
